

The last “Holy” Roman Empire’s Revival

This world is about to be shocked, when they see the Beast of Revelation chapter seventeen revived again into a world dominating super power, that will force its will on the rest of the world! Leaders in Germany, and other European nations, along with the Papacy have been working on bringing about this final revival of the so called Holy Roman Empire ever since World War II. These human leaders are not alone; they are only carrying out the will of their leader, and source of power, Satan the devil. Satan is the Great Spirit being that is behind all of this development of uniting Europe into what will become an Empire that will not be democratic, but will have a dictator, and the pope who will rule supreme above all. The Sunday worship **Mark** of this beastly government will be forced on all peoples by the Pope’s authority, and will be enforced by the military might, and political leverage that the European Beast leader will have over the rest of the world.

My purpose in writing this message to warn the entire world is not to just prove to you who, and what the Beast of Revelation chapter 17 is. The late Mr. Herbert W. Armstrong wrote a booklet titled “Who is The Beast”; which makes it very clear to anyone who actually does desire the truth, that the Beast is the Roman Empire and its ten horns or governments that would arise after the fall of the Roman Empire, to continue in succession all the way through history until Jesus Christ comes back to destroy this whole Babylonian system of governments and establish the Kingdom of God on this earth. The last seven of these governments are referred to as the Holy Roman Empire, for the Papacy of the Catholic Church rules supreme above even the emperor in these governments. The Catholic Church and its popes is the whore that rides astride the beast in Revelation

chapter 17. Calling this political and religious union Holy is part of what the name of blasphemy is all about. (Rev. 13:1)

To understand who this beast is, and to be able to prove it to yourself well enough to put your life on the line; you had better get a copy of Mr. Armstrong's booklet that I mentioned above and study it with your bible very carefully. No one in this world understood this information until God revealed it to Mr. Armstrong! He was a chosen vessel of God to reveal these truths and much more biblical truth to this whole world, to all that will be willing to believe it. We are now living in the final days of the fulfilling of these prophecies; you had better take this warning seriously, for you will have to stake your life on your knowledge of these things! You may be able to get a copy of Mr. Herbert W. Armstrong's booklet, "Who is the Beast" from the last Era or Horn of the Church of God, which calls themselves the Philadelphia Church of God; they are headquartered in Edmond Oklahoma. They also can be found on the internet. They have bought and own the copy rights to Mr. Armstrong's books and booklets, so I recommend that you get a copy from them, but they also are very off course in some of their own teachings, so beware of any of their own literature; for they have a mixture of truth and error. God's word speaks of this last horn of his church as being lukewarm, and neither hot nor cold. (Rev. 3: 14-22) Many of us who do love God and his truth have been cast out of that organization, because we will not agree with some of their "Prophets" false teaching; and because they will not be corrected by the true word of God; they find it easier to just cast us out. Mr. Armstrong's books and booklets that they still publish are safe to read, for Mr. Armstrong was faithful to God and his Word.

You need to be able to prove to your own self the truth about this Beast and its **Mark** of disobeying God's Sabbath command, and substituting Sunday as the day to rest and worship. If you can't prove the truth of this matter to yourself then you most certainly will not be able to resist getting this Mark. Those that do receive the Mark will also have the wrath of God against them! (Rev. 14: 9-10) You need to prove these things for yourself; I tell you the truth, but you don't know that, well enough to stake your life on it, unless you prove it; that is why I tell you that you need to read and study Mr. Armstrong's booklet along with your

bible. In his booklet Mr. Armstrong guides you through the Holy Scriptures that will make it clear to you that he is telling you the plain truth. We want you to know the truth, and not just assume that you know the truth. When you have to put your life on the line, then you will need to know for sure. We are living in the days when the final revival of the “Holy” Roman Empire is being raised up! This European Union has been slowly being developed since the defeat of Germany in World War II, but now suddenly this Empire is about to break on the world seen in shocking strength and power under the leadership of the Pope and his choice of an Emperor. Ten kingdoms or governments will give their kingdom over to the one Emperor in a unity that will give this Beast power to take over and force its will on the rest of the world. God Almighty will put it in their hearts to give their kingdoms over to the beast that his purpose may stand. (Rev. 17: 17) God will use this evil Empire to punish the Israelite nations, including The United States of America and Britain for their sins, that some of them may be humbled into being willing to submit to the true God and his Commandments. God’s love for Israel requires that he chasten them severely, in order that ultimately they may be saved from their own sinful ways and the end results of their way, eternal death. After God has used the Beast to punish the Israelites, then God will pour out his great wrath on that evil Empire.

The second chapter of the book of Daniel reveals that the final resurrection of the “Holy” Roman Empire would be partly strong, and partly broken. This government is pictured as the ten toes and feet of the Great Image that King Nebuchadnezzar saw in a vision from God. The ten toes are the ten kingdoms that will join themselves together under the Beast, but they are pictured to be part of Iron and part of clay. Iron and clay won’t stick together very good, so this union in Europe also will have serious differences that keep them from being solidly welded together. To make this union stick together even for a little while they will need the glue of the Pope and his deceptive religion, the Catholic Church. It was the common Catholic religion and it’s Popes that held Europe together through the middle Ages as the so called Holy Roman Empire. The Pope knows this and so also do the leaders of Germany who also desire to revive the Empire as it was under Charlemagne. Pope John Paul II and also Pope Benedict

XVI have both worked tirelessly toward this unifying goal, but they both face difficulty because of some of the clay that they are mixed with. Europe has many differences between them that keep them divided in some ways. Some of these differences are economic, political, cultural, Ideologies, and fears, but one of the greatest obstacles to the Pope being able to unite Europe behind him is secularism. Many, if not most of the people of the European Union nations have grown accustomed to living a life style similar to that of the people here in the United States of America, where they don't take religion and God very seriously. The people don't want a religion that actually controls their life style. The people have their pleasures in committing fornication and adultery, and they don't want to devote themselves to regularly going to church services. The people don't want to pay tithes to any religious organization. The people like to use birth control, which the Catholic Church is against. The people like to be able to abort their unwanted babies. Many of the people can see the hypocrisy of the churches and their leaders, therefore they justify themselves for not being very religious at all. The average person doesn't fear the true God, let alone this world's idea about God. The people enjoy a great degree of freedom, and therefore they seek their happiness from following their own lusts and desires; and they certainly don't want to be put in a "straight jacket" of religious control. So, how is the pope going to be able to stir up zeal in such a people to unite them in a religious bond, and cause them to look to the pope as a great Vicar of Christ? This is a must in order for the pope to gain the power and leverage over their lives that he desires; and that he needs to be able to unite Europe behind his authority, both religiously and militarily. During the middle Ages, the Pope needed the military might of the empire to enforce his religious teachings on the world; and the emperor needed the pope and the Catholic Church to keep the people deceived and united under his authority. The popes were rulers supreme above all, even the emperor. There were often power struggles between the popes and the emperors, but they both needed each other in order to secure their power and authority over the people.

So, again I ask; how are the pope and the ruler of this European Union going to bring about a massive religious revival that is needed to give them both powers

that they desire? That is the main point of this article; as I said above, my goal in writing this article is not to prove to you who the Beast and the false prophet of Revelation is. Mr. Herbert W. Armstrong was used by God Almighty to reveal the truth to us about who is the Beast and who is the false prophet. My goal is to reveal to you how the pope and the ruler will bring about a great religious revival in support of the pope, and in turn the pope will exalt the ruler to Emperor, and bring about a religious and military union in this final revival of the so called Holy Roman Empire.

Time is short my friends, and Satan knows that he has but a short time to do his evil work, unbridled on this earth. (Rev. 12: 12) God Almighty has used the power of his Israelite nations, primarily the United States of America and Great Britain to restrain this evil beast power from rising much sooner; but now God's time has come to punish and chasten his own Israelite people, because their sins and wickedness has greatly increased even since God has given us power to restrain Germany from completely resurrecting the Roman Empire back in World War I and World War II. Because of all of the abominations that our nations do; we the Israelite people have lost God's divine blessings on us, and now are about to face total financial collapse, and will end up as slaves to this evil Beast power. The Israelite nations have forgotten, or refuse to acknowledge that it was God that gave us all of our national power, dominance, and wealth that we have enjoyed for so long. You should get a copy of the late Mr. Herbert W. Armstrong's book, "The United States and Britain in Prophecy"; you may get this book by contacting the last Era of God's Church which calls their selves the "Philadelphia Church of God". You can find them on the internet.

So, how will the Pope and the German ruler overcome the obstacle of secularism, and unite the ten kingdoms of the European Union religiously behind the Pope? They will use the same means that Simon Magus began the Papacy; through sorcery, lying wonders and appearances of miracles. (II Thess. 2: 8-10) (Rev. 13: 13-14) (Rev. 18: 23) You can read of this Simon Magus and his lust for power to perform wonders and miracles to exalt his own person in the eighth chapter of the book of Acts. Simon was baptized and took on the name of Christ to continue on in his self exalting sorcery, and Mr. Herbert W. Armstrong taught

that this was the beginning of the Papacy, and their great deceptions over the masses of people which latter came to be known as the Roman Catholic Church.

The true Saints of God were persecuted by this wicked church organization. They called themselves Christian, but they were not teaching according to the truth of God and Christ. They look like a lamb, but they speak as the Devil. (Rev. 13: 11) *(They speak falsehood, and contrary to the true word of God.)* Many true Christians were persecuted, and driven out of the visible assembly of the church organization because of such wicked deceivers. This evil church is responsible for causing the death of many martyrs of Christ, when they wouldn't submit to their false doctrines. (Rev. 17: 6) (Rev. 18: 24) You should read in encyclopedias about the *Inquisition*. This church didn't do as the true and faithful saints of Christ, and wait to be married to Christ at his second coming, when Christ will then let them help him rule the earth; No she fornicated with the kings of this present world, in order that she may have power to rule now in this world. The Catholic Church fornicated by getting involved in the politics of this world and helping to set its will and ambitions as law.

Satan the devil is the present ruler of this world, and he tried tempting Jesus Christ to lust to rule now in this world; but that would mean that Christ would have to bow down and worship Satan, and rule by Satins' evil manner. (Matt. 4: 8-10) Jesus refused to serve the Devil, but the Papacy did bow down to the devil, and Satan did give them ruler ship in this world. Jesus Christ is soon going to return to this earth in all of the glory and power of the Great God, and he will destroy this whole Babylonian religious and political system that has deceived the people of this earth in the name of Christianity! (Rev. 18: 1-24)

Jesus warned that **many** would come in his name; *(that is calling their selves Christian, and claiming to be the representatives of Christ)* and saying that Jesus is the Christ, and yet they would deceive the **many**. (Matt. 24: 4-5) Yes Satan has used false Christianity to deceive this whole world about God and Christ, and his true way of life. This false Christianity with its Popes has ruled over the kingdoms of this world by their deception, and influencing the kings of this world to carry out their will, and force their teachings on the world. This false Christian Church

is the mother of harlots, and abominations that are on this earth. (Rev. 17: 5) Those harlots are the protestant churches that have broke away from their whore mother, and have filled the world with their splintered up branches. They disagree with the mother church in some doctrines, but they hold on to much of their mothers false doctrines, such as violating Gods Sabbath and keeping pagan Sunday instead. They also keep the pagan customs of Christmas, Easter, Halloween, and refuse to obey all of the Commandments of God. They have turned grace into a license to continue in sin. They don't know what the true Gospel that Christ taught is, and they certainly don't preach it, or live according to it.

The word gospel is a Greek word that means good news. The gospel that the real Jesus brought is: The good news of the soon coming Kingdom of God to rule here on this earth; that God's will, be done on earth as it is in Heaven. That also includes that man can have the very Spirit of God in his mind so that he can live by the Commandments of God from the heart, even as Jesus did and does. Having opportunity to be born into that Spirit God family and Kingdom is also part of the Gospel. The false anti Christ teaches that Jesus did away with the need to keep the Commandments of God; they teach that Jesus did it all for us, so all we have to do is just accept Christ and believe this lie. What rank ignorance and foolishness! Sin is the transgression of the Laws of God. (I John 3: 4) God will not give his Holy Spirit to anyone who intentionally disobeys the Spiritual Laws of God, The Ten Commandments. Those people who repent of their sinful human nature and surrender to willfully choose to obey all of God's Commandments; God will give them his Holy Spirit when they are baptized by one of God's true servants, which will impart to them the Godly love that will help them to keep and live by the Commandments of God. When you truly do have the Holy Spirit in you, and you are letting it lead you, then you will want to Love God the Father enough to Keep all of his Commandments, including his Sabbath Day; and you will Love your fellow humans enough that you will want to keep the Commandments of God so that you treat your fellow man rightly. (Romans 13: 8-10)

The Ten Commandments are a great Spiritual Law, given by a great loving God and father who cares about all of us, and desires that we all care about one

another, so that we all can enjoy peace and happiness and unity. It takes the Spirit of this loving God in us for us to be able to truly fulfill this great law of love to God and one another. Any religion that teaches that we should not keep any one of the Ten Commandments is not from God, but is from the Devil. Satan has deceived this whole world with his false religions, and the Papacy is the chief instrument that Satan has used to accomplish this deception. The Vatican was built in the **Image of the Roman Empire** which is the Beast; and the Image speaks through the Popes to force its religion, and Sunday **Mark** on the world. The civil government and military is at the Popes hand to enforce their will. Most of you who will read this message that I write to you will not at first believe me, but I assure you that after this world has suffered at the hands of this evil religion and empire, that you will know that God did send this warning to you. God says come out of her that you be not partakers of her sins, and that you receive not of her plagues. (Rev. 18: 4) You should read all of Revelation chapter 18 for it speaks of Gods judgment of this Babylonian religious and political system that has ruled and deceived this world with a false Christianity. As I said earlier, the Papacy got its start in deceiving the masses of people through sorcery, of lying wonders and fake miracles in the days of Simon Magus; and that is what it will take for them to again completely unite this Beast of the Roman Empire under the authority of the two horned Beast of the Papacy and the Catholic Church. One can't come to complete power without the other and they know this.

With modern technology it would be simple for the civil government of Europe to create apparent miracles and wonders to happen at the mouth of the pope. The Holy Scriptures reveal that this false prophet would be able to bring fire down out of heaven. (Rev. 13: 13-14) Yes, it is through deception that they have ruled over the people in past ages, and it will be through deceptions that they will again stir up the masses of people to look to the Pope as a great Vicar of Christ! The civil government working with the Pope can cause the masses of people to be deceived into worshiping this Pope as if he were God! Then in turn the Pope will exalt the civil ruler to Emperor, and cement the masses of people behind the Emperor, thus reviving the so called Holy Roman Empire! Then they will take over

and conquer the Middle East and have control of the world's oil supply, which in turn will give them leverage over the rest of the world! (Daniel 11: 40-45)

My friends, time is short, and you had better turn to obeying the true God, and keep his commandments lest you end in ruin. You can't save this nation, but if you are willing to humble yourself and fear the true God more than man, and start keeping the Commandments of God, then you can be spared from the wrath of God, and be allowed to live under Christ's rule in the new world.

The United States of America and Great Britain are fast losing their power and dominance in this world, and the Gentile nations are rising fast. It is the power that God gave to the United States and Britain that has defended the freedom of the whole world ever since there has been freedom on this earth in any nation. Because of the abominable sins of our Israelite nations and their continued increase of sins; we are fast having our God given wealth and power taken away from us and given to our enemies. God will yet humble his rebellious, selfish, lustful, and greedy Israelite nations, that some will be worthy of being allowed to live over into the new world that Christ and his Saints will rule over. This rising European Empire is going to be as a rod in Gods hand to chasten and correct his people.

How is it that lying wonders and miracles will unite secular Europe behind the Pope? People have always been mesmerized by the supernatural, but the average secular minded person doesn't want to actually obey God and his commandments. I have noticed that when some apparent wonder is done, people will waste their hard earned money to support such a man, or thing. Some such things include people buying at a very expensive price a potato that had a cross formed in the center of it. Also people will flock together in droves to see some Image of the Virgin Mary that weeps tears. People will go to all efforts to see some window or door that seems to have an image of what they think Christ looks like formed miraculously on it. Fake healings also draws large crowds. Many such the like things stir up a religious zeal in people who will not believe the true God, and refuse to truly surrender to obey the Commandments of God. Yes, just like Simon Magus deceived the people with sorcery into supporting him as a

great one; so also will the Pope do to rally Europe around himself and his plans of unifying Europe. It is through Satan's power of deception and false teachings that the final revival of the so called Holy Roman Empire will rise out of the bottomless pit, and once again rule this world for a short time, until Christ pours out his great wrath on them.

When it suddenly unites religiously and militarily behind the Pope and the Dictator; then this Beast will bring Great Tribulation on the Israelite nations, and on the rest of the world. World War II was nothing compared to what is about to take place. Continuing on from the scriptures given above; Daniel the prophet wrote that this time of trouble that will come on this earth is the greatest time of trouble that has ever been since there has been a nation. (Dan. 12: 1) Jesus Christ said that it will be so bad that if he doesn't cut it short, that there would be no flesh saved alive on earth. (Matt. 24: 21-22) Until the modern inventions of war weapons of mass destruction; it would have been impossible for man to totally erase all fleshly life off of the earth; but now it is possible.

We are living in the most dangerous times ever since man has been on the earth. God's call to all flesh is to come out of this Babylonian religious confusion and acknowledge your own sins, and repent and surrender yourself totally to obey the true God and Christ of your bible. Keep the Commandments of God, even when they persecute you for doing so. Don't let that false Christianity deceive you into disobeying God's Commandments, and receive the mark of the beast (*Sunday Worship*) in your forehead through deception; and don't let them intimidate you into receiving the Sunday mark in your hand, (*by your works even though you know better in your mind*). God's wrath will be against those who refuse to surrender to obey the Commandments of God. (Rev. Chapter 16) (Rev. 18: 4)

My friends, I strongly suggest that you read and study all of my writings, and search the scriptures so that you are not left in ignorance. You also need to obtain all of the books and booklets which Mr. Herbert W. Armstrong wrote, that I have suggested for you to study. You will not always have this opportunity! Time is short and there is coming a famine of hearing the true word of God.

The financial and economic woes that this greedy and selfish world are experiencing, will lead to the down fall of the United States of America and Britain; but it will cause European leaders to realize that they need to go ahead and swiftly unite militarily and religiously behind the Pope and one Emperor so that they can take over the wealth of the world's oil supply in the middle East. They know that whoever controls the oil can control the world. The Middle East countries don't have the military muscle to force their will on the world, even if they wanted to; but this United Europe will! Our leaders here in the U. S. A. and Britain are blind and asleep; they think this United Europe is our friend. We will all soon find out that you can't trust your "friends" in this Satan influenced deceptive world. All are selfish, and are looking out for self, even at the expense of all others. Just as individuals wear "cloaks" to hide their true identity; so also do the nations.

We are very near to the second coming of Christ to this earth, but first there will be great tribulation, and fearful things taking place. God bless and strengthen all of his true and faithful saints.

A friend and true witness of God and Christ,

Gary Stowers
